3. In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

a. Beginning on the Effective Date, Milagros de Mexico shall not manufacture for sale in the State of California, "Distribute into the State of California", or directly sell in the State of California, any Covered Product which exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day when the maximum suggested dose is taken as directed on the Covered Product's label, unless each such unit of the Covered Product bears the following warning statement on its individual unit label packaging or by sticker securely affixed on the container or bottle cap:

"WARNING: This product contains a chemical known to the State of California to cause [cancer and] birth defects or other reproductive harm."

i. As used in this Settlement Agreement and Release, the term "Distribute into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Milagros de Mexico knows will sell the Covered Product in California.

ii. For the purposes of this Agreement, "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in a recommended dosage appearing on the product label), which equals micrograms of lead exposure per day.

iii. The phrase "cancer and" must be included in the warning only if the maximum recommended daily dose causes an exposure to more than 15 micrograms of lead when taken as directed on the Covered Product's label.

b. The warning statement set forth in Section 3a. shall be prominent and displayed securely on either the cap, the unit packaging, or by a sticker securely affixed to the Covered Products with such conspicuousness, as compared with other words, statements, or designs so as to render it likely to be read and understood by an ordinary individual purchasing or using the Covered Products. The warning appearing on the label or container shall be at least the same size as the largest of any other health or safety warnings correspondingly appearing on the label or container, as applicable, or such product, and the word "**WARNING**" shall be in capital letters and in bold print. No other statements may accompany the warning.

c. Milagros de Mexico shall arrange, for at least five (5) consecutive years and at least once per year, commencing one year from the Effective Date. Milagros de Mexico shall arrange for the lead testing of five (5) randomly-selected samples of five separate lots each year for each Covered Product to confirm whether the Daily Lead Exposure Level is more or less than

Initials

0.5 micrograms of lead when the maximum suggested dose is taken pursuant to the directions on the Covered Product's label. Milagros de Mexico shall provide ERC with any related documentation pursuant to Section 3d., and shall include the lot identification numbers of the lots tested. Milagros de Mexico shall test samples in the form intended for the end-user to be distributed or sold to California consumers.

d. If Milagros de Mexico is successful with reformulation for any of the Covered Products which reduces the Daily Lead Exposure Level to 0.5 micrograms of lead or below when taken pursuant to the maximum suggested dose as directed on the Covered Product's label, the Parties agree that the Covered Products may be offered for sale in California without the warning stated in Section 3a. If Milagros de Mexico is successful with reformulation on any of the Covered Products, Milagros de Mexico shall notify ERC and provide any test results for the Covered Products that document this change in formulation, no longer than 10 working days after Milagros de Mexico receives the test results and prior to Milagros de Mexico manufacturing for sale in the State of California, or directly selling in the State of California, any Covered Products without the warning set forth in section 3a.

i. Pursuant to Sections 3c. and 3d., any such testing shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the United States Food & Drug Administration. The method of selecting samples for testing must comply with the regulations of the Food & Drug Administration as set forth in Title 21, Part 111, Subpart E of the Code of Federal Regulations, including Section 111.80(c). Testing for lead shall be performed using Inductively Coupled Plasma-Mass Spectrometry (ICP-MS) achieving a limit of quantification of less than or equal to 0.010 mg/kg or any other testing method agreed upon in writing by the Parties. Nothing in this Agreement shall limit Milagros de Mexico's ability to conduct or require that others conduct additional testing of the Covered Products, including raw materials used in their manufacture.

ii. Pursuant to Sections 3c. and 3d., Milagros de Mexico shall retain copies of its test data from the date testing commenced and shall provide all test data to ERC within fifteen (15) days of receiving the data after conducting the required testing as set forth above. The requirement to provide all test data to ERC shall cease after five (5) years from the Effective Date.

4. Milagros de Mexico shall make a total settlement payment of \$20,000.00 ("Total Settlement Payment") by wire transfer to ERC's escrow account for which ERC will give Milagros de Mexico the necessary account information. The \$20,000.00 settlement will be paid by wire transfer. The 1st installment of \$8,000.00 will be made within 5 days of the Effective Date ("Due Date") and the remaining six (6) installments of \$2,000.00 will follow in 30 day increments. The Total Settlement Payment shall be allocated as follows:

a. \$2,024.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$1,518.00) of the civil penalty to the Office

Initials  

of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$506.00) of the civil penalty.

b. \$2,030.58 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this Matter to Milagros de Mexico's attention and negotiating a settlement.

c. \$3,039.82 shall be considered payment in lieu of civil penalties, for day-to-day business activities such as (1) continued enforcement of Proposition 65, which includes work, analyzing, researching and testing consumer products that may contain Proposition 65 chemicals, focusing on the same or similar type of ingestible products that are the subject of this Matter; and (2) the continued monitoring of past consent judgments and settlements to ensure companies are in compliance with Proposition 65.

d. \$6,130.00 shall be considered reimbursement of attorney fees for Lozeau Drury LLP and \$6,775.60 shall be considered reimbursement for ERC's in-house legal fees.

e. In the event that Milagros de Mexico fails to remit the Total Settlement Payment owed under Section 4 of this Settlement Agreement on or before the Due Date, Milagros de Mexico shall be deemed to be in material breach of its obligations under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to this Matter.

6. Binding Effect; Claims Covered and Released

a. ERC, on behalf of itself and its respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, successors, assigns, and legal representatives fully releases Milagros de Mexico and its respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, successors, assigns, and legal representatives (collectively the "Releasing Parties") from any and all claims for violations of Proposition 65 up through and including the Effective Date based on exposure to lead from the Covered Products as set forth in the Notice.

b. The Releasing Parties further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notice.

c. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. ERC on behalf of itself only, on the one hand, and Milagros de Mexico, on behalf of itself only, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore, and further acknowledge that the claims released this section may include unknown

claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

ERC on behalf of itself only, on the one hand, and Milagros de Mexico, on the other hand, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code Section 1542.

7. Nothing in this Release is intended to apply to any occupational or environmental exposures arising under Proposition 65, except as otherwise provided in this agreement, nor shall it apply to any of Milagros de Mexico's products other than the Covered Products.

8. Nothing herein shall be construed as diminishing Milagros de Mexico's continuing obligations to comply with Proposition 65.

9. After executing this Agreement, ERC will submit to the California Attorney General a Report of Settlement. In addition, ERC will provide to the California Attorney General a signed copy of this Agreement. The Parties acknowledge and agree that the Parties shall provide as much information as is requested by the California Attorney General, or any other governmental agency, regarding this Matter, its settlement, and this Agreement.

10. This Agreement contains the entire agreement between the Parties with regard to settlement of this Matter, and supersedes all prior or contemporaneous agreements or understandings, written or oral, with regard to the matters set forth in this Agreement. This Agreement may be amended or modified in whole or in part at any time only by an agreement in writing executed by the Parties.

11. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, officers, directors, employees, agents, successors, and assigns.

12. No inference, assumption or presumption shall be drawn, and no provision of this Agreement shall be construed against any of the Parties, based upon the fact that one of the Parties and/or one of the Parties' attorneys prepared and/or drafted all or any portion of this Agreement. It is conclusively presumed that the Parties participated equally in the preparation and drafting of this Agreement.

13. If any provision, term, or section of this Agreement is found to be invalid, illegal, or unenforceable, then all remaining provisions, terms, or sections shall continue in full force and effect and remain binding on the Parties. If any provision, term, or section of this Agreement is

determined to be unenforceable, then such provision, term, or section may be modified so that the unenforceable provision, term, or section is enforceable to the greatest extent possible.

14. This Agreement shall be deemed to have been entered into in the State of California, and governed and interpreted by the laws of the State of California, regardless of the physical locations of the individuals executing this Agreement at the time of execution.

15. The Parties acknowledge that they have a right to consult an attorney and they have consulted their attorneys with respect to the terms and conditions of this Agreement or by signing this Agreement hereby acknowledge they have made the decision not to consult with an attorney in this Matter. The Parties further acknowledge that they fully understand this Agreement and the effect of signing and executing this Agreement.

16. The Parties are aware and acknowledge that this Agreement is an out-of-court settlement and that they will not receive the protections afforded by a court-approved consent judgment. The Parties are entering into this Agreement in good faith and in an effort to settle all claims and allegations related to the Notice, and this Agreement applies only to the claims made by ERC and to the products identified in the Notice.

17. Any legal action to enforce this Agreement shall be brought in the county of Alameda of the State of California. ERC shall be entitled recover its reasonable attorneys' fees that are necessary and required to enforce the agreement pursuant to California Code of Civil Procedure section 1021.5.

18. This Agreement may be signed in counterparts, and each counterpart, as well as any facsimile, e-mail, copy of this Agreement, or any other counterpart, shall be deemed to be an original.
